

DEPARTMENT OF THE TREASURY  
BUREAU OF THE FISCAL SERVICE  
WASHINGTON, DC 20227

December 28, 2020

**Notice to financial institutions:  
New Treasury automated clearing house (ACH) company entry  
description for IRS Economic Impact Payments**

Please be advised that the U.S. Department of the Treasury's Bureau of the Fiscal Service (Treasury) will be processing Economic Impact Payments (EIPs) authorized by the Coronavirus Response and Relief Supplemental Appropriations Act of 2021, using a new company entry description for ACH payments. EIPs authorized by the CARES Act will continue to use the company entry description "TAXEIP1," as described below.

**Effective immediately, financial institutions should be prepared to begin receiving EIPs with the new company entry description.** This notice is being provided to allow financial institutions to make any processing or system preparations necessary to receive these payments.

In accordance with NACHA operating rules, Internal Revenue Service (IRS) payments will be issued with the one-position Identification Code Designator (ICD) followed by the RTN in the Company Identification field.

The "XX" indicator in positions 54-55 of the "Company Entry Description" field identifies an EIP as exempt from garnishment. The following table maps the field values found in the ACH Company/Batch Header ("5") record of IRS tax refund payments and EIPs processed by Treasury.

<b>Company Name (Field 3, Positions 5-20)</b>	<b>Company Identification (Field 5, Positions 41-50)</b> 9 + RTN (or blank + RTN for IAT)	<b>Company Entry Description (Field 7, Positions 54-63)</b> <i>Note: The ~ symbol indicates a blank space</i>
