Re: Support for Kevin Warsh as Federal Reserve Board Chairman

Dear Chairman Scott and Ranking Member Warren:

On behalf of ICBA and the nearly 45,000 community bank locations we represent, I write in support of the nomination of Kevin Warsh to serve as Chairman of the Federal Reserve Board of Governors. He has demonstrated the requisite experience, judgment, and policy acumen to serve in this critical role for monetary policy and financial regulation. In particular, Mr. Warsh has an appreciation for the unique and irreplaceable role of America's community banks in serving consumers and small businesses in our local economies.

Mr. Warsh's deep experience includes roles at the White House National Economic Council and as a Federal Reserve Board Governor during the financial crisis of 2008-2009, in addition to his service in the private sector and in academia. He has extensive knowledge of financial markets and financial policy as well as of the dynamics of local economies served by community banks.

These diverse experiences will inform Mr. Warsh's judgment and leadership as Chairman of the Federal Reserve Board. We look forward to working with him should he be confirmed in that role.

Thank you for your consideration.

Sincerely,

/s/

Rebeca Romero Rainey
